[Plaza Construction Letter](#)

Nadler is proud to have been awarded the contract to build a 36' x 70' modular facility for Sunshine Children's Home and Rehab Center. This facility is located in Ossining, New York. It is a licensed rehabilitation center and provides the highest level of care for its residents.

February 2, 2011

...Nadler staff provides us with a timely and competitive pricing.

... Plaza has chosen Nadler ... over and over again ...

... their product, service and attention to detail is top of the line.

Very truly yours,

Michael Gabbay

Skanska 26th Ward

Our June 2010 Newsletter highlighted a Nadler project to build a non-combustible modular complex for our client Skanska. Skanska Civil required the modular building for their work at the NYC DEP's 26th Ward Treatment Plant. We are proud that this project is now completed and within budget.
